

RON S. BEST ([ron.best@mtol.com](mailto:ron.best@mtol.com))  
Director of Legal Information Systems  
Munger, Tolles & Olson

Ron assesses technology for enterprise and practice support needs, and serves as a facilitator between firm attorneys and IT/Practice Support on major technology uses and deployment.

Current projects include matter-centric document and case management, cost projection modeling, records management, and e-discovery culling, processing, assessment and review improvements.

Ron rejoined MTO in March 2001 and built a practice support team of over 100 legal technology professionals before turning his focus to technology solutions and workflow.

Ron worked as an associate at the firm in the late 1980's and provided oversight of personnel and discovery data management for the *Exxon Valdez* oil spill litigation in the early 1990's.

Prior to rejoining MTO, Ron worked in business management, as Exec. VP - Gen. Counsel for *CheckFast, Inc.*, a start-up financial services/software company in Salt Lake City, and as Dir. - Sales Operations & Planning at *MicronPC* in Idaho.

Ron has a JD from UCLA School of Law (1987 *Order of the Coif*), Honors BA degrees in Economics and Political Science from the University of Utah (1984 *Phi Beta Kappa, Magna Cum Laude*), and worked as a judicial extern for the Hon. Irving Hill, Central Dist. CA (1986).

Ron is admitted to practice in California (active), and Alaska, Idaho, Oregon and Colorado (all inactive).
